

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT OF	)	
PENDLETON COUNTY WATER DISTRICT,	)	CASE NO. 9909
DIVISION I	)	

O R D E R

On April 9, 1987, Pendleton County Water District ("Pendleton") filed its revised tariff sheet with the Public Service Commission ("Commission") for the purpose of adjusting its rates for its Division I customers pursuant to KRS 278.015 and 807 KAR 5:068, Purchased Water Adjustment.

The Commission, having reviewed the evidence of record and being advised, is of the opinion and finds that:

1. Pendleton purchases water for its Division I customers from Campbell County Water District ("Campbell County"). Effective February 1, 1987, Campbell County increased its rates for wholesale water from \$.76 to \$.88 per 1,000 gallons.

2. Pendleton purchased 55,620,910 gallons of water from Campbell County during the 12-month period ending February 28, 1987, and sold 50,731,550 to its Division I customers.

3. Pendleton adjusted the rates to its Division I customers effective April 15, 1987.

4. Pendleton's calculations are correct and show an increase in purchased water costs of \$6,675, resulting in a purchased water adjustment of \$.13 per 1,000 gallons of water.

5. The tariff sheet filed by Pendleton is incorrect in that the minimum bill should be \$6.68 rather than the \$6.55 shown in the tariff.

IT IS THEREFORE ORDERED that:

1. The purchased water adjustment of \$.13 per 1,000 gallons and the rates in Appendix A be and they hereby are approved effective for services rendered on and after December 15, 1986.

2. Within 30 days of the date of this Order, Pendleton shall file its revised tariff sheet setting forth the rates approved herein.

3. Within 30 days of the date of this Order, Pendleton shall file verification that it has notified its customers of the rate increase as required by KRS 278.015.

Done at Frankfort, Kentucky, this 22nd day of April, 1987.

PUBLIC SERVICE COMMISSION

  
Chairman

  
Vice Chairman

  
Commissioner
